<b>PART ONE: CITY REGULATIONS REGARDING CITY-PERMITTED HAULERS</b>
<p><b>City Regulations</b> Section 8-83(h), Regulations, of Title 8 of the Costa Mesa Municipal Code indicates that “for any type of solid waste collection in the City, it shall be unlawful for any person to use the services offered by a person, service, or enterprise that has not obtained all the required permits from the City.”</p> <p><b>Contractors and/or owner-builders cannot self-haul waste to a City permitted waste hauler location. Weight tickets will not be accepted as verification for compliance of the City’s waste hauling requirements.</b></p> <p>For demolition, grading, or building permits involving projects with a valuation of \$10,000 or more, the contractor must use a City-permitted hauler(s) (<i>see Exhibit A, reverse side</i>) to haul any debris or solid waste from the job site.</p> <p><b>Administrative Penalty</b> Use of a City-permitted hauler for this project is the responsibility of the designated contractor on this form. Non-compliance is subject to an administrative penalty as follows: <b>\$1,000 or 3% of the total project value, whichever is greater.</b></p>

<b>PART TWO: COMPLIANCE AND DOCUMENTATION</b>
<p><b>Proof of Compliance</b> Prior to issuance of final certificate of occupancy or release of utilities (whichever occurs first), the contractor shall demonstrate compliance by attaching all hauling receipts/invoices or other appropriate documentation as deemed by City staff from the City-permitted hauler used for the project. A copy of this form shall be attached, and the documents shall be submitted to: <b>City of Costa Mesa, Department of Public Services, 4<sup>th</sup> Floor, 77 Fair Drive, Costa Mesa, CA 92628</b></p>
